Exhibit 1 — Scope and Performance Requirements (SPR)

List of Appendices to Exhibit 1	
Appendix 01	Definitions and Acronyms
Appendix 02	Construction Site
Appendix 03	Licensed Maintenance Area
Appendix 04	Station and Station Precinct Drawings
Appendix 05	TfNSW ECRL Works and Enabling Works
Appendix 06	Local Area Works
Appendix 07	TfNSW s and OTS Independent Certifiers Site Facilities
Appendix 08	Arthur Whitting Park and Cheltenham Community Facilities
Appendix 09	Stations, Station Precincts and Public Domain Design Objectives
Appendix 10	Station Precincts and Public Domain Spatial and Functional Requirements
Appendix 11	Station and Buildings Spatial and Functional Requirements
Appendix 12	Station Precincts and Public Domain Finishes, Fittings, Fixtures and Materials
Appendix 13	Station Architectural Finishes, Fittings, Fixtures and Materials
Appendix 14	Architectural Building Works
Appendix 15	Public Art
Appendix 16	Commercial Opportunities
Appendix 17	Lighting
Appendix 18	Branding, Wayfinding, Signage and Customer Information
Appendix 19	Car Parking Spatial and Functional Requirements
Appendix 20	Rolling Stock
Appendix 21	Trackwork
Appendix 22	Civil and Structural Works
Appendix 23	Rapid Transit Rail Facility
Appendix 24	Operations Control Centre
Appendix 25	ECRL Works
Appendix 26	Access to Sydney Trains
Appendix 27	Central Control System

List of Appendices to Exhibit 1

List of Appendices to Exhibit 1	
Appendix 28	Signalling and Train Control Systems
Appendix 29	Power Control and Building Management Systems
Appendix 30	Environmental Control Systems
Appendix 31	Fire Services Systems
Appendix 32	Communications Systems
Appendix 33	Ticketing System
Appendix 34	Tunnel Ventilation System
Appendix 35	Civil Works Tolerances
Appendix 36	Low Voltage Distribution and Electrical Building Services
Appendix 37	Bulk Power Supply and High Voltage Reticulation
Appendix 38	Earthing and Bonding, Electrolysis and Electromagnetic Compatibility
Appendix 39	Traction Power, System
Appendix 40	Hydraulic Services
Appendix 41	Lifts and Escalators
Appendix 42	Platform Screen Doors
Appendix 43	Fire and Life Safety
Appendix 44	Noise and Vibration
Appendix 45	Service and System Performance Requirements
Appendix 46	Operations and Customer Service Requirements
Appendix 47	Asset Information System
Appendix 48	Manuals
Appendix 49	Additional Environmental Requirements
Appendix 50	Sustainability
Appendix 51	Stakeholder and Community Liaison
Appendix 52	Property Adjustments
Appendix 53	Reporting Requirements
Appendix 54	Project Plan Requirements
Appendix 55	Systems and Safety Assurance
Appendix 56	Testing and Commissioning

List of Appendices to Exhibit 1

Appendix 57	General Standards and Guidelines
Appendix 58	TfNSW's General Specifications
Appendix 59	Authorised Engineering Organisation (NWRL)
Appendix 60	Future Extensions
Appendix 61	Pre-Agreed Options
Appendix 62	Concept Design
Appendix 63	Initial Strategic Business Plan
Appendix 64	Initial Project Management Plan
Appendix 65	Initial Systems Engineering Management Plan
Appendix 66	Initial Quality Plan
Appendix 67	Initial Design Management Plan
Appendix 68	Initial Risk Management Plan
Appendix 69	Initial Configuration Management Plan
Appendix 70	Initial Engineering and Competency Management Plan
Appendix 71	Initial Safety Accreditation Plan
Appendix 72	Initial Safety Management Plan
Appendix 73	Initial Customer Service Plan
Appendix 74	Initial Safety Assurance Plan
Appendix 75	Initial Reliability, Availability and Maintainability Plan
Appendix 76	Initial Construction Environmental Management Plan
Appendix 77	Initial Delivery Phase Sustainability Plan
Appendix 78	Initial Operations Phase Environmental and Sustainability Plan
Appendix 79	Initial Construction Management Plan
Appendix 80	Initial Manufacturing and Procurement Plan
Appendix 81	Initial Community Liaison Implementation Plan
Appendix 82	Initial Stakeholder and Community Involvement Plan
Appendix 83	Initial Workplace Relations Management Plan
Appendix 84	Initial Public Art Plan
Appendix 85	Initial Transport Integration Plan

List of Appendices to Exhibit 1	
Appendix 86	Initial Security Management Plan
Appendix 87	Initial Asset Management Plan
Appendix 88	Initial Testing and Commissioning Plan
Appendix 89	Initial Operational Readiness Plan
Appendix 90	Initial Operations Plan
Appendix 91	Initial Asset Management Policy
Appendix 92	Initial Asset Management Strategy
Appendix 93	Initial Human Factors Integration Plan
Appendix 94	Initial Electromagnetic Compatibility Plan
Appendix 95	Initial Interface Management Plan
